

OVERHEAD ATTACHMENT 12X6 (1140X640) TO THE DISPLAY TABLE 1200

An overhead attachment is a simple and reliable means for displaying lightweight products with small dimensions. Easy assembly with the display table makes it possible to show a greater quantity of products, creating additional sales areas.

Overhead Attachment is mounted directly on the table 1200

Standard finish: zinc plated + lacquer or bright chrome.

Technical data: basket and holders made of wire.

Maximum loading: ca 20 kg (with equable spreading of the goods).
