ORDER PICKING TROLLEY

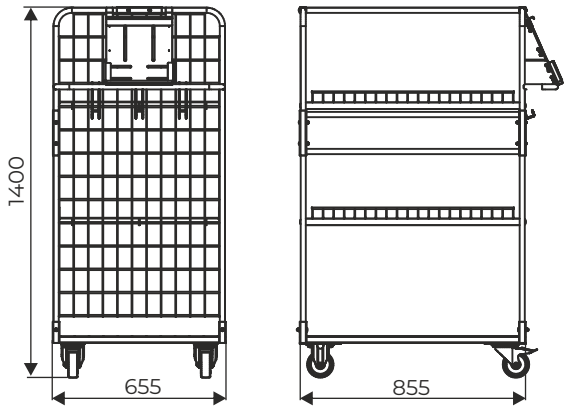

855X655 H1400

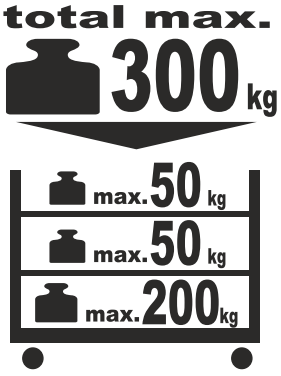

The H1400 order picking trolley is designed for convenient and efficient order fulfillment. It is ideally suited for use in warehouses, distribution centers, retail stores, and service facilities. Its smart design supports smooth work organization and increases the comfort during daily handling of light and small-sized items.

DIMENSIONS:

PARAMETERS:

Technical data:
A stable frame made of closed steel profiles combined with side panels constructed from durable steel rods ensure durability and resistance to intensive use. Adjustable, reinforced shelves allow flexible configuration of the working space, while the side handle and hooks for shopping bags enhance user comfort. Two fixed wheels and two swivel wheels with brakes guarantee easy maneuverability and safe parking.
Wheel: Ø100 mm
Standard coating: galvanized zinc + lacquer
Load capacity: 300 kg
Shelf loading: 50 kg
